Good Crown Social Media Group LLC
Good Crown Mobile App

Last updated: March 30, 2021

These terms are for the service provided by Good Crown Social Media Group LLC or its subsidiaries or affiliates (“The Company,” “we,” “us,” or “our”). These Terms of Use are a legally binding agreement between you and Company and govern your use of our online, digital, or mobile services, including our websites, software, applications, games, and any of our other products and services in connection with which these Terms of Use are posted or from which they are linked (collectively, the “Service”).

Certain aspects of the Service may be subject to additional terms and conditions, which may include, among other things, particularized age requirements, codes of conduct, and payment or subscription terms (collectively, “Additional Terms”). When Additional Terms are made available in connection with any aspect of the Service, those Additional Terms also apply to your use of that aspect of the Service and control in the event of a conflict with these Terms.

By accessing or using the Service, you agree to be bound by these Terms and any applicable Additional Terms (which are incorporated herein by reference) and acknowledge our collection and use of your information as described in the Privacy Policy applicable to the Service (“Privacy Policy”). If you do not wish to be bound by these Terms or Additional Terms, do not access or use the Service.

Changes to these Terms

We reserve the right, in our sole discretion, to modify these Terms (including applicable Additional Terms) from time to time. You agree that we may notify you of modified terms or policies by posting them on the Service, and agree that your continued use of the Service after such notice constitutes your agreement to the modified terms, which will govern your ongoing use of the Service. Thus, you should review the posted Terms of Use and applicable Additional Terms each time you use the Service. Any modifications to these Terms will supersede the prior version for all activity occurring after the revised version has been made available.

Your Representations

By accessing, previewing, or otherwise using the Service in any manner, you represent and warrant that you have sufficient legal capacity to enter into this Agreement or, if you lack such capacity (for instance, if you are a minor), that you have obtained parental or guardian consent to do so. You represent and warrant that you have read, understand, and agree to abide by these Terms and any applicable Additional Terms, and that you have read, understand the data collection and use practices set forth in the Privacy Policy.

The Company Service

Company grants you a limited, non-exclusive, non-sublicensable, non-transferable, and fully

revocable license to access, view, and use the Service for your personal, non-commercial use solely as provided by these Terms and as expressly permitted by the features and functionality of the Service, subject to your complete compliance with these Terms of Use and all applicable Additional Terms. The Service may allow you to view, preview, select, stream, and access certain content, including video, audio, graphics, photos, and text (collectively, "Content"). Such use may be limited (for example, to supported devices or by number of simultaneous streams per account; by geographic region; by time window; by subscription level; or otherwise, and access will require your use of an approved device with sufficient connectivity).

The Service and Content are protected by copyrights, trademarks, service marks, or other intellectual property rights that are owned by Company or its licensors. Company respects the intellectual property rights of others and asks that you do the same. Any unauthorized use of Content or any other aspect of the Service, or any portion thereof, will constitute a violation of copyright or other intellectual property rights, and Company reserves the right to fully prosecute such violations and enforce its rights to the fullest extent of the law, including seeking both civil and criminal penalties. Violation of this Agreement in any manner automatically terminates the license granted to you herein and obligates you to cease all use of the Service and Content. Any authorization to copy material granted by Company in any part of the Service for any reason is restricted to viewing a single copy for non-commercial, personal, entertainment use only, unless otherwise specified, and is subject to your keeping intact all copyright, trademark, and other proprietary notices.

Except as expressly provided herein, Company does not grant you any other express or implied right or license in or to the Service or Content and all right, title, and interest that Company has in the Service and Content are retained by Company, including the right to modify, discontinue, or temporarily suspend any or all of the Service at any time, with or without notice.

No aspect of the Service constitutes legal, financial, medical, or other categories of professional advice.

User Accounts

a) Account Creation

You may be required or permitted to create user accounts (each an "Account") in order to access or use certain aspects of the Service. If you open an Account or otherwise access the Service on behalf of a company, organization, or other entity (a "Business User"), then you represent and warrant that you have the authority to also bind the Business User to these Terms, and hereby do so, and both you and the Business User will be responsible for any breach of this Agreement. You acknowledge and agree that you have no ownership or other proprietary interest in any Account. You agree that all of the details you provide in connection with your Account are about yourself or an applicable Business User and not about another individual or entity (whether real or

fictitious), and that such details will be maintained by you as correct, current, and complete.

A. Investigations, Suspensions, and Termination

You agree that Company has the right, in our sole discretion, to investigate any actual or suspected violation of these Terms and to suspend or terminate your Account and refuse you access to your Account, the Service, or the Content (or any portion thereof) for any reason, including if Company believes the information you provide is not correct, current, or complete, or that you have otherwise violated this Agreement or any applicable law. You agree that Company may report your conduct, activity, or identity to law enforcement or other appropriate authorities, take appropriate legal action against you, respond to subpoenas or other requests for information regarding your Account or use of the Service, or otherwise take action to protect our rights and the rights of any third party. By accepting these terms, you waive any claims resulting, directly or indirectly, from any action taken by Company during or as a result of these investigations.

B. Account Security

You may not use anyone else's Account at any time and you may not allow anyone else to use your Account at any time. You are responsible for all activity occurring under your Account, including all activities or transactions conducted through the use of your Account. You are responsible for maintaining the confidentiality of your Account username and password, and agree not to disclose your username and password to anyone. You agree not to transfer, resell, or otherwise convey your Account or the right to use your Account to anyone. You agree that Company will not be liable for any loss you may incur as a result of someone else using your Account, either with or without your knowledge. You also agree that any information you provide is offered at your own risk, and that Company cannot guarantee its protection from unauthorized access. If you have reason to believe that your Account is no longer secure, you must: (i) promptly change your password; and (ii) immediately notify us of the problem through our contact page. Company may require you to change your Account username and password.

2. Mobile Devices

a) Wireless Charges

You are solely responsible for all charges from your wireless provider including any data and messaging fees that you may incur if you use mobile devices to interact with the Service or to receive communications from Company.

Mobile Software

Company may make certain mobile software applications (“Apps”) available for download in connection with the Service. You may only use Apps on approved devices, for personal use. You are not permitted to modify, transfer, or distribute any Apps. Company does not guarantee that the Apps will be compatible with your device. Company may choose to make available updates, bug fixes, or other changes or enhancements to the Apps from time to time; such updates may be automatic, at your election, or mandatory if you wish to continue using the Apps, at Company’s discretion. You may not use or otherwise export or re-export the Apps, or any other software provided as part of the Service, except as authorized by United States law and the laws of the jurisdiction in which the software was obtained. In particular, but without limitation, neither the Apps, nor any other software, may be exported or re-exported into any U.S. embargoed countries or to any persons listed as prohibited under applicable law or regulation. If you download or use any software, you represent and warrant that you (i) are not located in a country that is subject to a U.S. Government embargo, or that has been designated by the U.S. Government as a “terrorist supporting” country; and (ii) are not listed on any U.S. Government list of prohibited or restricted parties.

Apple App Store

The additional terms in this Section apply only to your use of Apps downloaded through Apple Inc.’s (“Apple”) Apple App Store (“Apple App Store”). You agree that this Agreement is solely between you and Company, not Apple, and that Apple is not responsible for Apple App Store or their content. Apple has no obligation whatsoever to furnish any maintenance or support services in connection with Apple App Store. You will not involve Apple in any claims relating to your use of Apple App Store, or in any third-party claims alleging infringement of intellectual property rights by the Apple App Store. You agree to comply with all third-party agreements in connection with your use of Apple App Store (for example, your wireless provider agreement). Finally, you agree that Apple, and Apple’s subsidiaries, are third party beneficiaries of the Agreement solely for the purpose of enforcing the applicable Terms against you in connection with your use of Apple App Store.

Paid Services

Certain aspects of the Service may require payments. If you use those aspects of the Service, you agree to the applicable pricing and payment terms. Such terms will be displayed in connection with that aspect of the Service requiring payment. Company may update pricing and payment terms at any time and in its sole discretion, with any changes to subscription fees taking effect upon the conclusion of your current subscription term unless otherwise specified. The transaction is with the specific Company entity identified by the aspect of the Service used to make the purchase.

All payment transactions are administered by a third-party payment processor or third-party store (for example, Google Play). Company expressly disclaims any liability for the processing of any transactions by a third party, including any errors in invoicing or payment processing or any breach in security with respect to your payment information associated with the third-party’s handling of the transaction. Company is not responsible or liable to you for any credit card, bank-related, or other financial service charges and fees related to your transactions. You

represent and warrant that all payment information you provide is correct, current, and complete. You agree to pay all applicable charges (including any applicable taxes) billed to your chosen payment method. We reserve the right to refuse or cancel transactions, including due to pricing or other typographical errors.

All purchases are final and no refunds are available unless otherwise specified in applicable Additional Terms, including where your account is terminated or suspended preventing your access to paid aspects of the Service, such as any remaining subscription terms. Subscriptions have no monetary value and are purchases of only a limited, personal, non-transferrable, non-exclusive, non-sublicensable, non-assignable, and fully revocable license to access the applicable portion of the Service. Unless otherwise specified (at initial sign-up or subsequently), subscriptions may renew automatically for up to the initial subscription term at a rate not exceeding the rate for the prior subscription period. If you sign up for a free trial subscription (if available), you will be automatically billed at the then-current rate at the conclusion of the free trial. You may cancel any automatically renewing subscription by using that aspect of the Service you used to set up your subscription, unless another cancellation method is specified in applicable Additional Terms.

Virtual Items

The Service may feature fictional credits, items, rewards, points, currency, or the like (collectively, "Virtual Items"). The Virtual Items may be used exclusively within the Service. You receive only a limited, personal, non-transferrable, non-exclusive, non-sublicensable, non-assignable, and fully revocable license to use the Virtual Items in connection with the Service and as governed by these Terms. You have no right, title, interest, or ownership in or to any Virtual Items. Virtual Items have no monetary value and are not redeemable for any sum of money. You will receive no compensation for any Virtual Items that are deleted, modified, or to which you lose access if your Account is terminated, suspended, or otherwise limited. Company has the absolute right to manage, regulate, control, modify, or eliminate Virtual Items as we see fit in our sole discretion, and Company will have no liability to you or anyone else for the exercise of such rights. For example, Virtual Items may be immediately lost, deleted from your Account, or otherwise forfeited if your Account is terminated or closed for any reason or when Company discontinues, modifies, or updates an applicable aspect of the Service (for example, discontinuing a game featuring Virtual Items).

All purchases of licenses to Virtual Items are final and governed by the terms of Section 6 (Paid Services); by indicating your desire to purchase a license to any Virtual Items through the Service, including by clicking or tapping the relevant purchase button, you confirm that you want said items credited to your Account and in so doing you lose any cancellation rights you may have under applicable laws.

Any unauthorized transferring, trading, selling or exchanging of any Virtual Items to anyone, including other users of the Service, is strictly prohibited. Company may take action it deems appropriate in response, including deletion of the Virtual Items or termination or suspension of any Account involved. You acknowledge and agree that Company will have no liability for the use or loss of Virtual Items for any reason, including due to any unauthorized third-party activity, such as hacking, phishing, password mining, social engineering, or any other unauthorized activity. Company may replace such lost Virtual Items under certain circumstances, in our sole discretion and on a case-by-case basis, without incurring any obligation or liability. If Company revokes your license to Virtual Items, Company will not have any liability to you for any time or money spent by you on Virtual Items, any Virtual Items associated with your Account, or for any other reason whatsoever.

Third-Party Services

The Service may link to, integrate with, or incorporate third party content, sites, services, or platforms, including advertisers, online merchants, and social networks (collectively, "Third Party Services"). Company does not endorse and is not responsible for Third Party Services, whether in terms of their correctness, accuracy, validity, propriety, reliability, legality, security, or otherwise, and Company disclaims all liability in connection therewith. References to Third Party Services do not imply endorsement of any Third Party Services by Company or any association with its operators. Your dealings with Third Party Services are solely between you and the applicable Third Party Services. To learn more about Third Party Services, consult the Third Party Services' respective terms of use and privacy policies.

User Content

From time to time, certain aspects of the Service may invite or otherwise allow you to submit or post a variety of content to the Service, such as text (including comments and reviews), images, videos, music, and other information, either directly to the Service or through a Third Party Service (collectively, "User Content"). Your User Content remains your own, unless as otherwise may be provided in Additional Terms. Please be aware, however, that User Content is not confidential and may be accessible by other users and the public. Moreover, by submitting or posting User Content to the Service (either directly or through a Third Party Service) you grant Company a royalty-free, perpetual, irrevocable, non-exclusive, sublicensable, assignable, unrestricted, worldwide license to use the User Content, together with all consents or waivers including a publicity rights waiver and a waiver of moral rights (if any) in favor of Company necessary to reproduce, distribute, publicly perform, publicly display, transmit, communicate to the public, modify and make derivative works of the User Content, by any means and in all media formats and channels now known or hereafter devised in perpetuity, and to advertise and promote such use, without further notice to, or permission from, you or any other person, and without compensation or reference to you or any other person.

Please retain copies of all User Content as Company is under no obligation to store or return any User Content to you. Your submission of User Content will not be subject to any obligation of confidentiality, attribution, or otherwise. You are solely responsible for your User Content. Company only acts as a passive conduit for User Content, and will not be liable for any use,

disclosure, or exposure of any User Content, including possibly objectionable or offensive User Content, to you, any other user, or any third party. Company is under no obligation to monitor User Content or use of the Service. However, Company has the right to monitor or moderate User Content, in our sole discretion, and to enforce our or a third party's intellectual property rights in any User Content. Company reserves the right to discard or remove User Content from the Service in its sole discretion and without any liability whatsoever.

You represent and warrant the following as to your User Content:

- a) You have obtained the written consent of every identifiable individual featured in your User Content (or, in the case of minors, consent of the minor's parent or guardian) to use that person's name, voice, and/or likeness (as applicable) in connection with the Service and pursuant to these Terms.
- b) Your User Content does not infringe, violate, or misappropriate any third-party intellectual property rights, including copyrights, trade secrets, or trademarks.
- c) Your User Content, as used in connection with the Service, will not violate any applicable laws or regulations or infringe or violate any rights of a third party, including third-party publicity or privacy rights.
- d) Company may exercise the rights to your User Content granted herein without any liability, including for payment of royalties, residuals, guild fees, or the like, to you or any third party.

4. In using the Service you also agree not to:

- a) Attempt to interfere with the operation of the Service in any way;
- b) Copy, reproduce, distribute, transfer, sell, license, publish, enter into a database, display, perform publicly, modify, create derivative works of, upload, edit, post, link to, frame, transmit, rent, lease, lend or sublicense, scrape, crawl, or in any way exploit any part of the Service (except: (a) as authorized herein; or (b) in the case of public search engines, which are granted a revocable right to crawl publicly accessible portions of the Service in compliance with instructions posted on applicable “robots.txt” files and without circumventing any technical barriers, for the sole purpose of creating public searchable indexes, but not caches or archives);

Please be aware that Company does not accept unsolicited submissions of concepts, creative ideas, suggestions, stories, scripts, or other potential creative content (“Unsolicited Submissions”). This is to avoid the possibility of future misunderstanding when projects developed by Company staff or representatives might seem to others to be similar to their submitted concepts, creative ideas, suggestions, stories, scripts, or other potential creative content. Therefore, please do not send Company any Unsolicited Submissions. In the event you do send us an Unsolicited Submission, you understand and agree that your Unsolicited Submission does not create any fiduciary relationship between you and Company and that we are under no obligation to refrain from using the Unsolicited Submission (in whole or in part), to keep it confidential, or to compensate you for our use of it.
